NOTICE

The students who are not promoted to the next year will be treated as ex-students of the University. They will re-appear in the failed subjects by paying the prescribed re-appear fee of the University.

The University is of the view that the University Schools of Studies and all Affiliated Institutions should not charge any fee from a student who wish to attend the classes of subject(s) in which he/she has failed. This provision will have no extra burden on the University School of Studies / Affiliated Institutions because they do not have to organize special classes for such students. The students may attend the classes, if they wish, alongwith the regular students.
